I guess you
d dn't expect
that
When d d
you come ?
How much
d d you hear ?
Suha s presence
would awaken
me gradually
I d d warn you that
I wouldn't forg ve you
f you d d br ng Suha to
th s world
What are you try ng to do ?
Haven't you done enough
already ?!
Send Suha back now

I will not do that.

Siva - !

Withdraw your powers !
Are you going to kill me ?!

The choice was made for your sake.
The boy is another kind of counterpart.
He will be a great asset to your development.

I admit
Your powers are required
Independence
and
You are the only hope n order to break th s s ckened soc al structure and g ve l ght that has been longed for so long to men !
There s no way that I w ll let you go
There s noth ng that can help me
You only needed my full powers

Jaminés
www.jaimes.com

If you are not sending him back... then I will send him back
Who became your tool for bringing Suha here ?
What a great leader you are
When will you ever get out of your arrogant excuses
Siva !
Why would you want to know ?
I am sure it wasn't a woman So, the answer is simple then
Holy creature counterpart is required to travel to another dimension And there aren't many that meet the requirement it won't take long to find him

Siva !
I can't do anything about you. But he won't get away from me.
And I suggest you give me my warning as well.
Have you forgotten ? I was me who gave you life !
And it will be only me who may take your life away !

But there s someth ng you haven't realized
I may not be able to create my own str ng but I could cut the string I walk on
So I w ll never be ownersh p of myself
And w ll have to walk on a str ng that you make for me ?

Where s Suha ?
Wasn't he with you ?
Uh he was with us a moment ago
Where s he now ?

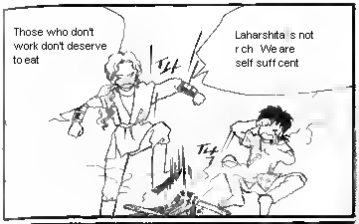
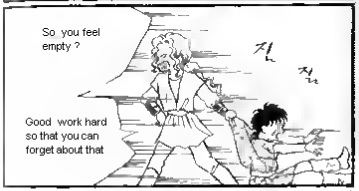
You do know what kind of hatred they have for women
Siva Ganesha They are members of Laharshita Keep that in mind
Is that really true ? Will they hate me when they find out that I am a girl ?
No no way
I am sure that Ganesha will understand me
I am going to tell him the truth when I see him next time and apologize
Look at this
Weren't you supposed to harvest those ?

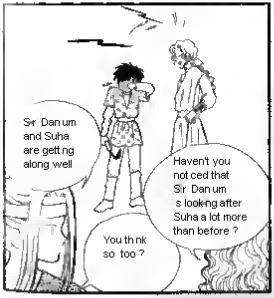
Do you th nk I am eat ng th s because I want to ?
I've been feel ng empty in my chest So I am try ng to f ll the emptiness with food!!
I really wonder what Yu sad sees from you He asked me to look after you
He sa d that ?
You are lazy slow dumb and eats a lot for noth ng
Ho I see
You are an enemy aren't you You are try ng to consume our supply aren't you
What are you doing, Neil !



Those who don't work don't deserve to eat
Laharshita is not rich We are self sufficient



So you feel empty ?
Good work hard so that you can forget about that



Sir Danum and Suha are getting along well
You think so too ?
Haven't you noticed that Sir Danum is looking after Suha a lot more than before ?

By the way, did you Suha in a woman's costume ?
He looked nice in it

Oh yeah he really looked natural in that costume

He s brave and
straightforward
So I thought he was
like a woman before
And when he actually
dressed up like one
he did really look like
one
Maybe he really
s a woman ?
Now you mention it
No one has taken
bath with him before
And he wears so many
clothes underneath
Yeah he does seem
suspicious
Don't be ridculous
I took a bath
with him before
I can assure that
he s a guy
And look
In what aspect
does he look like
a woman ?

Look at those w de shoulders and that chest of h s! It s a cl ff
Yeah, he does sound r ght
Women's body s certa nly d fferent from men s
H s body is a great example of an average man's body shape
An average man s body shape
He looks l ke a wodden puppet now
What are you mumbl ng about ? Get to work!
Maybe I should really get my gender changed with a surgery!

Mentor
For the first time I feel fear from my own deed
When I first met Siva
His pureness was like a baby's and accepted my knowledge wthout a question
His own downside was that he didn't posses his own will
He should have never been awakened and never been released to the real world
But that was better for Laharshita
He acted as if my counterpart

He has his own will and ...
is driven by his own thoughts and begin to refuse my orders.
I am not sure what you are afraid of
And now
He grew up too fast
Are you afraid of losing him?

As you told him so a moment ago you have the ability to terminate him
Of course...it wouldn't be possible with you alone But you do have the seal of three stars
Knowing you, I am sure you didn't put all of your shop on that woman's ability as his counterpart.
And also knowing you, I am sure you've thought about the worst case scenario and are prepared for it.
Wasn't you planning to terminate him if he goes out of your control ?
...Yes, I did. I did plan so, sir.

But I did not expect him to have his own will all by himself
He said that it was Suha but that's not it
—!
The seal is broken ?
It seems ...
It seems the seal of three stars has to be broken in order for him to wake up.

Are you saying there is no other way to control him ?!
No, sir
I've already lost control over him
Among the three stars it seems something has happened to Ganesha
My God ...
And I suggest you give him my warning as well
He won't get away from me
Then he will be in dagner

Do you know what Ganesha means ?
I believe it means "A great person". And he is the Goddess Gaya's son.
One thing I find weird is that every God has a temple deicated to them. But there is no temple for Ganesha.
There is a good reason for that.
According to the history of genesis, Ganesha was a son of Siva.
However, the Goddess Gaya has asked him to murder Siva and he did murder his own father.
After his mission..., he was given a title of "A great person"... but , at the same time, he was cursed and was given horns.

After that, Ganesha became a symbol of immorality.
I do not know why he s called by such a name but I wonder what kind of face he will make when he finds out what his name really means
That is not what I learned
What I learned is Siva a god of destruction urged men to destroy the world So a god Ganesha had terminated him
That s what they taught me
Ganesha isn't a holy God
We humen often change the truth to be acceptable to them We are such unholy creatures

Isn't th s
a beaut ful place?
Th s palace s
the most beautiful
one among other
palaces
Yes it s beautiful
s re
The previous queen,
Maha Ryshana, had
spent most of her time
in this palace. And I
spent much of my childhood
in this palace.

What I still remember
is his bright laughing...
But....
It has taken me
so long and so
much to be able
to come back
here
12 years
yes it has
taken 12
years
and brightly
shining har
of his
At the end of
here there
used to be
a farm
I believe it was
some kind of
entertainment
But when Maha Ryshana
ruled the empire
the palace was
self sufficient
I no longer remember
his face

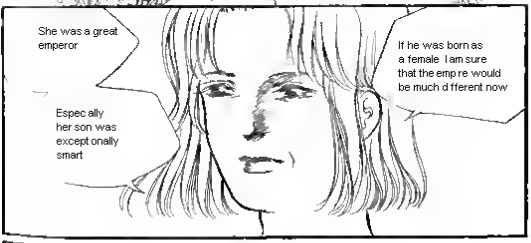
janines
www.janines.com

Brave princess,
Would you allow me to look at your wound?

...Who has been taking care of this place ?
I believe it is Lady Hira, the maid of the previous queen.

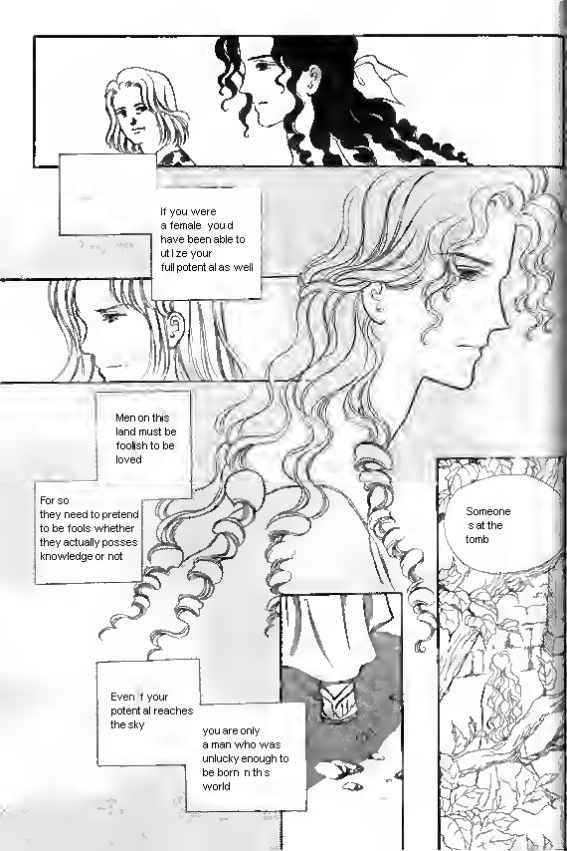
I feel that I hear
vo celess mourn ng
from th s palace
Th s green sh eld
s not what it used
to be
The w nd no
longer carr es
any concern
ts foe has
returned to here
as its owner
And has even brought
the nfamous husband
Yes ?

The only time this palace breathed with life was
while Maha Ryshana ruled the empire.



She was a great emperor
Espec ally her son was except onally smart
If he was born as a female I am sure that the emp re would be much d fferent now

Do you remember ?
Of course I do
How could I forget such beaut ful people I ke them



If you were a female you d have been able to ut l ze your full potent al as well
Men on this land must be foolish to be loved
For so they need to pretend to be fools whether they actually posses knowledge or not
Someone s at the tomb
Even f your potent al reaches the sky
you are only a man who was unlucky enough to be born n th s world

Janimes
www.janimes.com

I haven't seen you around here
Do you belong to th s palace?
I haven't seem h m around ether
Are you by any chance with the emperor s group ?
How dare you !

He may be only a concubine but he's the first concubine and the emperor has no official husband Therefore, he should be treated with the most respect
Please behave yourself
Ganesha...!
I've been looking for you.
A doctor's waiting for you. Shall we head back?

So, you are the ... Ganesha
Forg ve us
For we d d not recogn ze you
By the way ...
I thought you d be with the emperor
He s not fully recovered yet So. if d be dangerous for h m to jo n the hunt ng event
He has come here for recuperat on

Janinés
www.janimes.com

That s unfortunate I pray that you w ll recover soon
Your h ghness
Excuse us
Excuse me but I must tell you that th s part cular place s forb dden to everyone but us two
It seems you are unaware of th s place

Two ... sinners are buried under here.
Two s nners?
12 years ago, Maha Ryshana s husband and son were executed and were bur ed here
So, please do not enter th s place

This is surprising, mother.
I heard the rumors. His beauty is indeed breathtaking
Those eyes...
Death
Yes ?
I've never seen such eyes from living creatures
His eyes mean void I can barely sense any life force from his aura. Haven't you noticed ?
Maha Para has chosen an interesting man to be with

Um....

The headquarter has sent a message
They sa d they sent a fly ng dragon here They are summon ng you
They want to see me ?
www.jaunes.com

He is doing fine.
He should be fully recovered after a week or so
Doctor when w ll h s scar go away ?
Because of h s scar he can't wear proper clothes
Ah that
The scar w ll rema n forever regardless of h s recovery
Eh ?!?
As you know, the wound was very b g and ser ous

Tell her to leave.
Ah..., yes.
Excuse me
EA 7

Most people would th nk that he looks sad because of h's scar
I am go ng to get you a suit of clothes to go outs de
But I have a feel ng that it s not that
I don't have any proof but I am sure that he doesn't care for h s scar
Regardless I've never seen h m look l ke th s

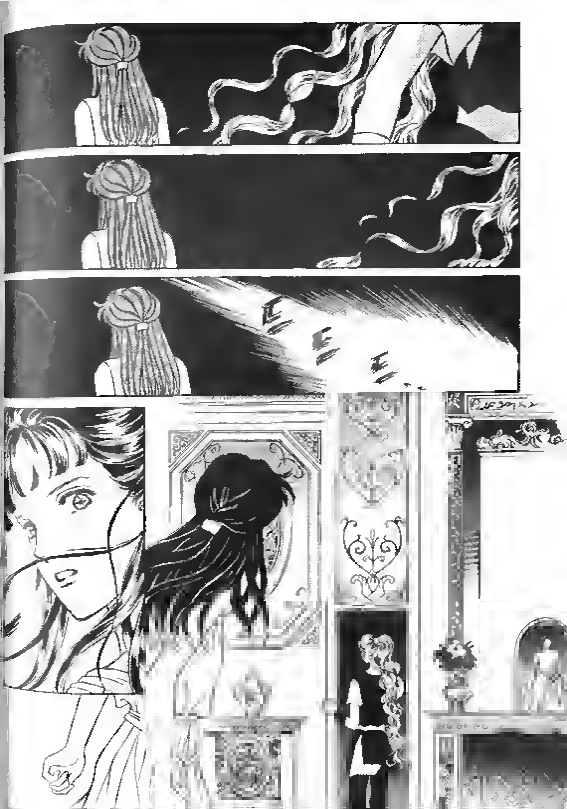
When I was ass gned to take care of h m I thought he was just a scoundrel ke I heard from others
I guess I w ll try whatever I can to h de the fact that you are gone
But so unlke the rumors he d d not m nd wealth and powers And he showed literally no emot ons unless with the emperor
Someth ng about h m s beyond my mag nat on
Well tell ng them that you are t red from the travel would do the tr ck though
That was why I was so surpr sed to see that he was a member of Laharshita
Would you ke to come with me ?

Even with a flying dragon, it will take more than a day to return.
In case something unexpected happens..., that's why I am suggesting.
B- but ..., the emperor will return after 2 days or so and as long as I keep watching no one enters here I should be fine
Something unexpected happened
Spies are on me
Are we withdrawing ?!
We are not going to return here ?
No..., but I will return.

Janines
www.janines.com

Why ... ?
If they sent spies on you, that means they are suspecting you. Shouldn't you withdraw immediately ?
They have no evidence.
Furthmore, as long as the queen 's with me they cannot act
I
I w ll rema n here
If we both disappear, they will find out too soon.
I will remain here and do whatever I can to hide the fact that you are away.
.... It is too risky.

Don't worry about me
I am not worry ng about you I am worr ed,in case you sp ll your guts after you are captured
Are you really prepared to sacr f ce your l fe for Laharshita ?
....I was trained for such a case. I will die with what I know. So, don't worry.
If they didn't trust me, they wouldn't have sent me to here.
Don't worry.



Jaumes
www.jaumes.com

Papa, are we doing hide & seek again ?
Yes.
We will do in this secret passage way again.
Now, let's see who reaches the end first.
But ... I want to do with Para and Mayura.
Esana,
No one else must know about what we play
Even the emperor ?
....Yes.
No one else must know.

But I like the emperor
I love her too
But no matter how much you like someone it's always good to have few secrets of your own
I have two secrets now
One is the magical butterfly play and this hide & seek play I will tell no one about those
Yes, you know well You will keep your promises with me won't you ?
Promise me that you will tell no one about our play.
I promise that I will tell no one about our play.
Yes, I will.

I promise.

Look at you
Ah
I tend to get hungry
qu ckly recently
Dan um
What does he
want now
Hey
When you f rst
met Ganesha
Neverm nd
What a
we rdo

Ganesha ...
Even though it was only few seconds, I am glad that I saw him
Being a husband of such an infamous emperor ... I wonder how hard his life is
Clean faster ! You have to do laundry as well and make bed
Please don't hit me
I miss Ganesha I want to see him I know I saw him few days ago but I want to see him again

www.janines.com

Hey, you do realize that he s marr ed, r ght?
That s called llcit love
You idiot !
illicit love ?!
What we have s fr endsh p
Oh yeah ?
Is there a law that a marr ed man cannot have fr ends?
Fr endsh p ?
It's Sir Yuisad !

It s hm
Hm so..It s only Ganesha she s nterested n ?
Oh right I am gonna get some flowers and present em to Yu sad

Poor Ganesha
I bet she doesn't even know what fr endsh p really s

Who is that ?
Does any of you recognize him ?
I am not sure
There are two thousand of us here
But with a face like that
I am sure I've heard of him

He s wait ng for you Follow me please

Welcome back
Lazad
Long t me

You don't

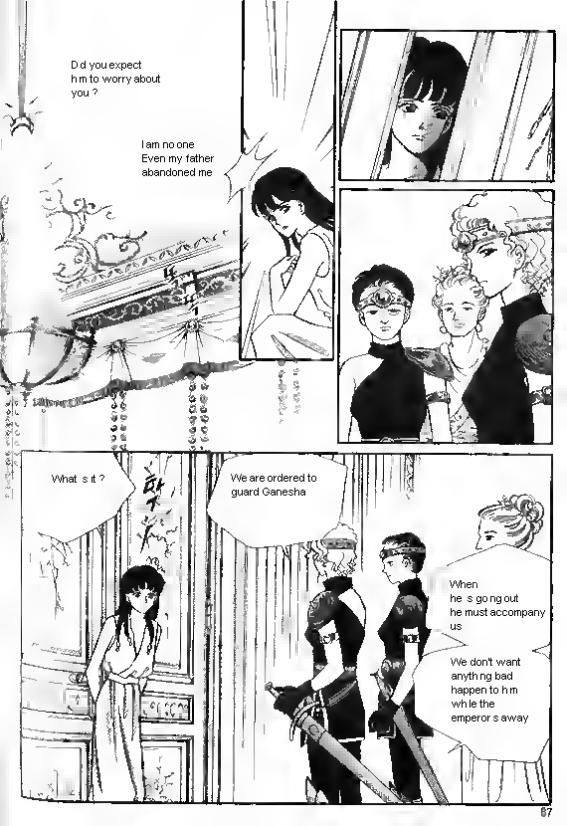
my boy

The more I think about it, the more I am confused... How did he know of such a secret path ?
I am sure that th s was h s f rst time comng here

I don't know.
I don't have the slightest idea of who he really is.
It s too r sky
I am worried in case you spill your guts
Are you really prepared to scarrifice for Laharshita ?
What an d ot I am D d you really expect someth ng ?

www.janimes.com



Did you expect him to worry about you ?
I am no one Even my father abandoned me
What s it ?
We are ordered to guard Ganesha
When he s going out he must accompany us
We don't want anything bad happen to him while the emperor s away

We don't want him to get lost again like when he went out for flowers.
Shre, Ganesha s gone aga n It seems he went out to get flowers
Say what
Is he hav ng an affa r or someth ng ?! Why does he keep go ng out ?
아~~!
아~~!
Of course, he will be forgiven easily.
But you and we
De Dei! Why d d you send h m alone ?

His dinner s ready
Please br ng h m to
the l v ng room
He he s
I was go ng to tell them
that he went out for
flowers
What now ?
Don't tell me
that he has
done
someth ng
aga n
No no !
Is he refus ng to eat
aga n ?
Your cook ng sk ll
must suck !
Why would he not
eat other w ese ?
You are dead !
No you must
No I w ll conv nce
h m Lead on

Yeah ?
Good
I was so worr ed
It s not that
It s just that he sa d he sn't feel ng well and would l ke to eat in the room
Wait here I w ll bring h s d nner r ght away
Th s s not good If they are go ng to keep watch ng I can't move at all
Tell h m not to leave anyth ng

Well, he is indeed too thin. I kind of understand why the emperor is worried.
Someone may enter the room while I am away. So ..
Give it to me.
Of couse, the only person who might enter without his vocal permission is the emperor though ...
Are you going to enter ?
The emperor told us to watch him even while he eats.
Listen,
Would yoy be able to eat comfortable if someone is watching you ?
If you do want him to finish his meal, I suggest you wait outside.
www.janimes.com

What do I do with the dinner now
I guess I will have to eat
All kind of birds
I am sure that you made him proper dish ?
Yes,
I've prepared everything that'd boost his sexual desire and power.

He has to eat th s knd of food everyday ?
Poor h m
Ahah ... there is just so much food.
I guess he eats a lot.
He s shouting spells for open ng mag cal doors that are found n fa ry tales

Could I get some cold water ?
Sure. come with me to the kitchen
I w ll leave my post for a bit So, please guard well
He went bed So don't let anyone enter

janimes

The emperor's order to cook him anything that will boost his sexual desire and power is awkward enough
Tell me about it. How could one eat those ?
Come back soon please !
Yet, Ganesha eats pretty much every pretty well.
Ahah hello Lady Hra s dnner s ready
Ask her what she d lke to eat tomorrow
We want her get healthy and take care of th s place lke before
Thank you chef

You know Hirina ?
We ran into each other today
In front to some tomb...
It must have been Ladan s tomb It s forb dden to go there
Yes he sa d that too
I was told that he was the former queen s husband ?
Maha Ryshana s yes
He was such a m sforunate man

It s only a rumor
But he had a family
before he came here
Because h s beauty
was extraordinary
he was forced to
come here
"Beauty dies
young"
so they say
He should have
just enjoyed
where he was
But he ended
up being a sinner
and was executed
with h s son
It was the former
emperor who nearly
begged so that a tomb
could be made for him
Isn't that right ?
Yes
Regardless what
others say It was
true that she really
did care for him

If she really did care for him, shouldn't he have asked for mercy ?
So she made a tomb for him. That's not a big deal
In the end, she didn't care much in my opinion
It was a son. He wouldn't have the throne anyway
And her husband could just have been replaced
There's something you don't know
Even an emperor cannot make everything possible
Even if they were her precious husband and son, she had to follow the law
If it wasn't a big sin, she wouldn't have been taken her throne
What kind of sin was it ?
What was so serious about it ?

The son was an Asad user
A male Asad user, you know what that means
Why did I recall that ...
Come to think of it ..., it is really sad.
His shining hair, his good character, and he was smart as well ...

Well now you ment on it
Don't you th nk Ganesha resembles Ladan a lot ?
Well I haven't thought about that
You th nk so ?
D d the son really d e at that t me ?
Could it be
Choose what to speak w sely One wrong word can start a conf ct
The son really d d d e at that t me
The dead bod es were carefully exam ned before funeral and bur al

The seal is broken.
Do you know why ?
Garuda is no longer my counterpart
That must be the reason
I knew it
How did that happen
What has become of Garuda now ?

D dn't you know what the seal was controll ng ?
I am sure you knew what d happen once the seal s broken
That does not concern me
You wanted my Garuda for cast ng the seal So I borrowed h m to you That was all
It could br ng total ann h lat on to us
Is that so

It's gone, I see...
What about your Asad ?
Yes.
I cannot let you return You should stay here
... Is it because my identity is being questioned?
Yes.
You do realize that s your fault don't you ?
www.janimes.com

When Yuisad did that, you were capable of defending yourself !
Now that you have lost powers we cannot let you stay n middle of danger
Let's deal with Ganda later You w ll rema n here
That s the second reason that we summoned you

A fly ng dragon came from outs de ?
As far as I know no one left th s base That means
Are you order ng me as a leader of Laharshita ?
Hey Dan um where s Yu sad ?

I saw h m go ng
to h s off ce
So I assume he s
there

Hey
Where are
you go ng ?
To Yu sad

Hey only
author zed people
can enter there
Come

for once

Ganesha -

Where were you going with handful of flowers ?
Ah, these ... These are for you !
Well..., thanks.
It s a little embarrass ng but sure

Are you

Can't you stay
a little while longer?

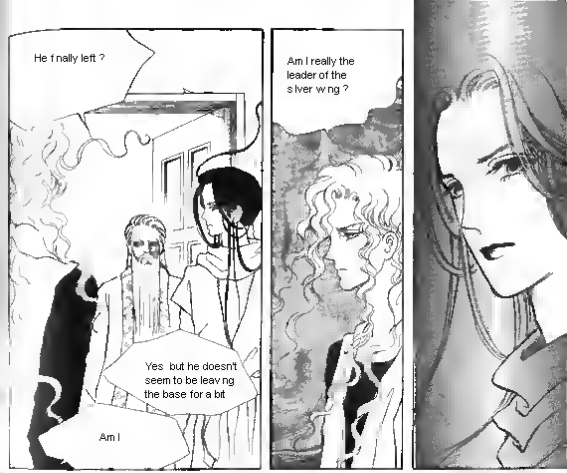
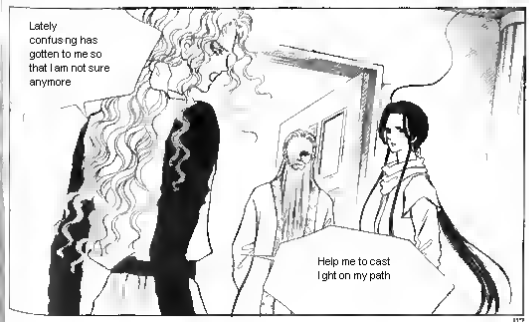
www.jaimes.com



He f nally left ?
Yes but he doesn't seem to be leav ng the base for a bit
Am I
Am I really the leader of the s lver w ng ?



Lately confus ng has gotten to me so that I am not sure anymore
Help me to cast l ght on my path

Did you think you could run away from me ?!

Hunting without using Asadas such a charming sport
We should hunt slaves next time
Amazing, the emperor is running this event literally by herself.
Splendid.
She does love hunting...
Hey... Frada
Don't you think a lot of nobles brought blond slaves?
It's obvious that they are trying to earn the emperor's trust by presenting men of her favorite taste
But their efforts are in vain. The emperor has never shown interests in any other man except Ganesha for years now.

You know, the emperor used to be such a playgirl. She was especially weak agasint blond men.
I wonder where her old self is.
Speaking of which, I wouldn't need to look at another man if someone like Ganesha is mine.
Well I guess Ganesha the man of blond s really enough for her
You have no wits
Don't you know that Frada and Ganesha are aga nst each other ?
These people don't care for wellness of the emp re
Lady Frada!

www.janimes.com

Such a nce day I w sh Ganehsa was with me r.ght now
Wow awesome s re Did you catch all these ?
You are truly my s re

But he died n Naraka by h mself
S re you are amaz ng
The last t me I saw you hunt-ng was r.ght at th s f.eld when you were 12 years old
You've become a very skillful hunter now I see

Espec ally your skillat archery s grand
Even general MInda could not compare with you
Your flatter ng reaches the sky as usual
What an d ot Why d d she have to br ng up her ch ldhood memor es ?
She really hates that

Little lady what m ght you be do ng here ?

You've shattered what I've gathered today
These are noth n
Your knee s bleed ng

O of course who do you th nk I am ?
Th s doesn't hurt at all

His hair is swirling like the rice plants here..
Is he a farmer of the palace ?
Or a gardener
My name s Ladan
Hi hey you what s your name ?
Ladan
Pretty name
Do you want me to help ?
It s alr ght little lady
Is he gnor ng me because I am young ?
You ve come back

Don't talk to me today
Leave her be She s always like that
Damn it
Damn it
What s wrong with her ?
That dirty man, hmmph! I don't give a damn!
Why are you doing something so uncool like this ?
Farming is not uncool little lady
Our ancestors used to say that each race has human sky and ground init

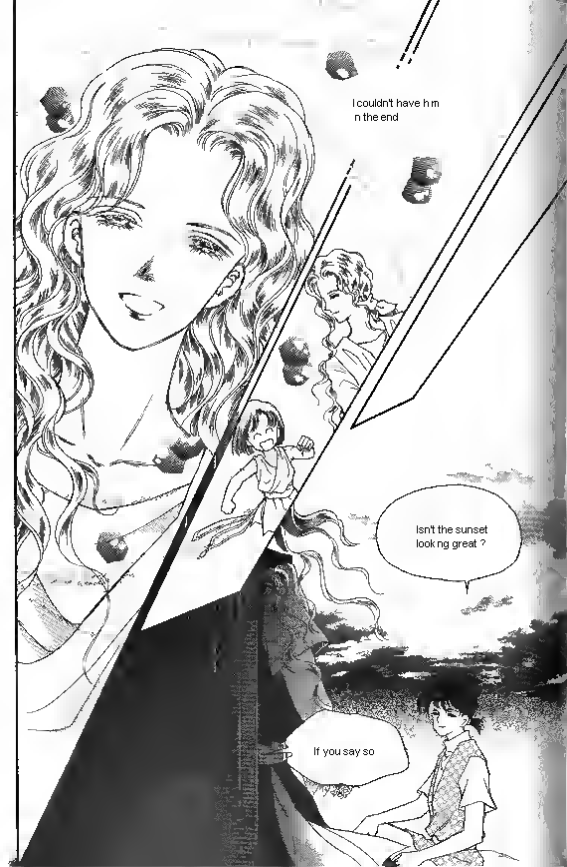
Jaminés
www.jaminés.com

What does that mean ?
You will learn eventually.
Hmmph, you are just a stupid man
Are you saying that plants are more important than me ?
Oh I cannot say that
Isn't it ?
Now you play with me
Well I guess it's time for me to take a little break
Ladan ?

Did you find him in a farm west of here ?
Yes,
I am going to marry him.
Give him to me.
No,
Why not ?!
He is the emperor's crown husband.
B-but...
You are the emperor's sister.

That was the first time I felt that I lost...

Now I've become the emperor and may have anything I want to However



I couldn't have h m

Isn't the sunset

If you say so

This is the first time we can talk with some peace
I thought I'd have a lot to talk about when I meet him in person again
His presence alone gives me peace
I've met him only few times but I feel like he has become a good old friend
When we met for the first time, I was at the worst moment of my life and he came to me, giggling.
Even before I realized, my mood was changed.

What are you th nk ng ?

I am not asking for an answer
Don't take it too seriously
I have nothing more to lose
I suppose
I can sacrifice my life for you

That is how much you mean to me.

Suha..
Uh yeah ?
No matter what happens
Even if this world may come to an end and even if it means my life I will send you back and set everything back to how it was

Um say
If I led to you about someth ng very b g
What about you ? Don't you hate me for br ng ng to th s world ?
Would you be able to forg ve me ?
Do you not w sh to go back ?
Jaanimes
www.jaanimes.com

I do regret for coming here But I don't think I put blame on you
Of course, I do miss my family and all But I did come here on my own will
I guess I should try to be useful, eh ?
My apologies
No need for that
my wound
Are you ordering me as the leader of Laharshita ?

I am your brother
Could you be a little
more cons derate ?
When I realized the true meaning
of the name, Ganesha, which
you gave me,
I gave up
on hopes
toward you.

Sir Yuisad !
It's urgent !

What s go ng on here?
You are here

Are they dead ?
No, sir.
It is not life threatening.
I am glad
D d they eat someth ng bad ? How come all three of them collapsed at once ?
It s some k nd of drug
Someone intent onally put them sleep

Uh-,
Look
The dragons,
they collapsed.

www.jaimes.com

When will they be out of sleep ?
Three or four days
I thought the security of this place was tight I guess I was wrong
They were able to sneak into the stable ?
They are not dead ? Just sleeping ?
Isn't that good news, huh? huh? Ganesha ?

Spies ?

Ati ?
탁
Ths s as far as you can go
How come? Ganesha went n
Stop bitch ng Only authorized people may enter Sr Yu sad s off ce
And are you go ng to skp the pract ce ?

Get out of here !
Everyone p cks on me
She IS really a bitch
No,
I have no intention to remain here.
We had a deal with I brought Suha to th s world Are you go ng to break your own words ?
You do realize that the place s sealed The only way out of here s by r d ng the dragons
As you know they ve been drugged You cannot leave here for a wh le
You ve created the seal I am sure you are capable of lett ng a person out

Janmes
www.janmes.com

.... That is correct.
I urge you to reconsider
Why are you insisting to go back to danger ?
Even if you ride the fastest horse it will take at least three or four days to get back to the palace
I was never a member of Laharshita
How are you going to explain where you had been and what you were doing
If they find out that you are a member of Laharshita even the emperor Maha Para won't be able to protect you
Why don't you stay here and join us

Your father led us and now your brother is leading us.
Whether you want or not, you are a member of Laharshita
Tw ce
I have acted as a member of Laharshita tw ce

I let you use Garuda to create the seal of three stars
And for that favor I broke brothership with you
Ganehsa
For the second I teleported a being from another dimension
For that favor, I've repaid for what Laharshita has done for me
Ganehsa
Right now, nothing can change in this world

You have powers that others do not have
Only God could give such powers and it s your duty to use your given powers for good
t s your responsibility to serve this world
Are you telling me that you are willing to waste your life while ignoring your given duty ?
What duty are you talking about?!
Leading people related to me to their ultimate demise is my duty ?!
NO ! MY POWERS ARE A CURSE !

and
now the powers are gone
Even if I still had powers, I wouldn't have helped you regardless whatever excuses you could come up with.

Why do you insist going back ?
Is it for the wealth like the gossip says ?
Or do you love Maha Para ?
Have you forgotten who killed your father ?! Have your blood gone cold ?!
I would like to lead a simple life.
What s wrong with spending life peacefully ?
Furthermore Maha Para s sincere about me
People may say that she s cold blooded and cruel but she s very sincere to me
Or are you just a snob ?

www.janimes.com

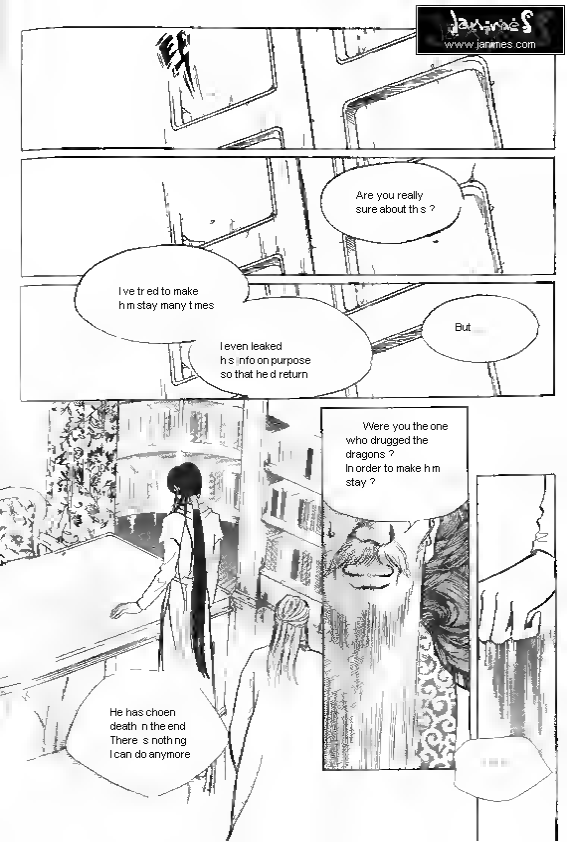
... Will your wish never change even with time ?
.....
.... If it is so, then you shall have it your way.
As of now we are no longer brothers

Yuisad -
Let him go, sir.
All I needed was his Garuda and Asad powers. Now that those are gone, he isn't needed anymore
But he's your only brother!
I've never wanted him
After all, he is a son of my father's ultimate foe

Wait
This s father s only belong ng
It seems father's will doesn't matter to you.
But at least take this.
It s said that a secret is with n th s art fact
If fate is on your s'de you m ght be able to reveal it

There will be a small crack on the seal at midnight
This shall be our last encounter while we are alive.
Farewell
If the mentor ass sts you
it w ll be easy to get a person through the traps

Jammes
www.jammes.com

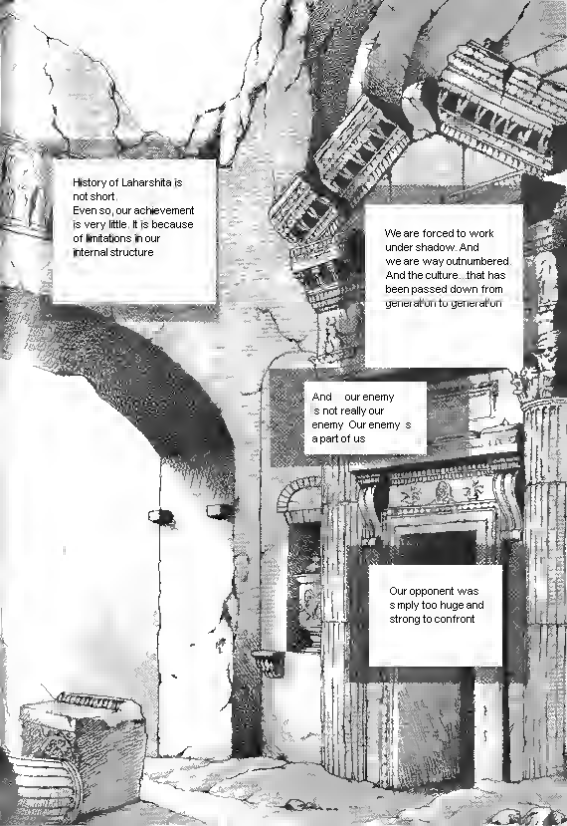


Are you really sure about th s ?
I've tr ed to make h m stay many t mes
I even leaked h s .nfo on purpose so that he d return
But ...
Were you the one who drugged the dragons ? In order to make h m stay ?
He has choen death n the end There s noth ng I can do anymore

Did you call me ?
I want you to investigate the event at the stable carefully.
The spy could have killed the dragons, but only made them sleep
I want you to find out their intention
Yes, sir.

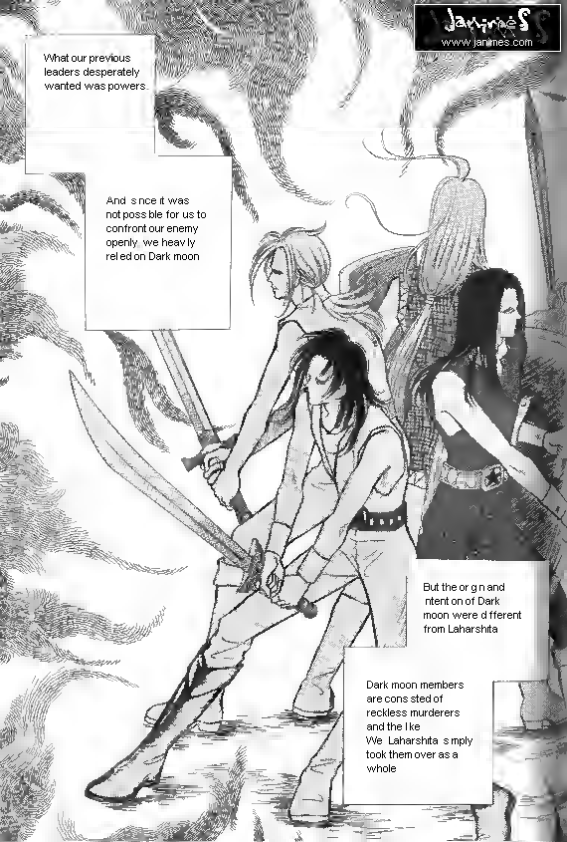
And one more th ng
I want you to term nate every connect on wth Ganesha
Withdraw them If that s not poss ble make them h de elsewhere
Are you concerned of Ganesha s betrayal ?
Just in case
Dan um
Do you know who are the most powerful male Asad users?

Isn't it Dark moon S va ?
He does ex st and s one of the most powerful male Asad user
If he really ex sts that s
But there is another male who is just as powerful as Svia is.
That is Ganesha.
If their powers are combined ....
Ganesha s powers are with sky and f re
S va s powers are with Earth and water



History of Laharshita is not short.
Even so, our achievement is very little. It is because of limitations in our internal structure
We are forced to work under shadow. And we are way outnumbered. And the culture...that has been passed down from generation to generation
And our enemy s not really our enemy. Our enemy s a part of us
Our opponent was s mply too huge and strong to confront

Jaminés
www.jaminés.com



What our previous leaders desperately wanted was powers.
And since it was not possible for us to confront our enemy openly, we heavily relied on Dark moon
But the origin and intention of Dark moon were different from Laharshita
Dark moon members are consisted of reckless murderers and the like. We Laharshita simply took them over as a whole

Dark moon began to fall apart and someth ng was needed to be done
A hero c leader that could make them unit
They didn't care about liberation of men and it was only understandable that they didn't.
Their reckless actions began to cause problems for Laharshita
The name Siva was created for such a purpose ...
Dark Moon Siva.
It was just a name.
It became a title....
A heroic title that everyone looked up to.
But I thought
What if someone like Siva actually exists?
What if a powerful person like Siva is with Laharshita actually ?
That has been my w sh ever s nce I took over Laharshita

I was thrilled when I found them
...But I soon felt despair.
Because it was simply impossible for me to make them cooperate
Ganesha who refused his powers and Laharshita with everything he has
And Siva who knew nothing but only destruction.
Siva ... was indeed Siva. He was exactly how the history of Genesis described.

Silva's uncontrollable powers pushed Laharshita to near total destruction.
I was able to seal him with the seal of three stars
Soon after, I heard a rumor of a human counterpart
A human counterpart ?
They are counterparts But they do not posses any spec al powers ike ord nary counterpart would do
Instead when a counterpart & its owner are together the owner would have its powers boosted greatly and make the owner mentally stable to handle such powers
I heard it s also poss ble to share powers between them it seemed to be the only way to stab l ze S va
And when I found out that S va s human counterpart ex sted in another d mens on I wanted the counterpart no matter what

The counterpart is . . Suha ?

10 minutes of rest !
I am exhausted...
Suha..the man who was with you a moment ago
Wasn't it Ganesha ?
G Ganesha ??
The beauty... Ganesha ?
Can't be
But the face and the hair it was Ganesha
Yeah can't be Why would he be here
janines
www.janines.com

About Ganesha
No
He was just a fr end of m ne
How would I know Ganesha personally ?
But you literally ambushed Ganesha s carr age at the town
That that was because well I thought it was h m
They do look s m lar
Anyway, that's surprising.
I didn't know another beauty like that existed.
You guys are all pretty haha

You know what surprised me the most when I came here ?
All man here and most of men I've seen elsewhere were so damn pretty
If my friends saw them they'd be thrilled
I guess all man in this country is like that
It has to be Ugly men become slaves and are not even allowed to live in towns
There are two classes when determining men's class Beauty is what determines
Basically, pretty men can be forgiven but ugly men cannot be
Similar to
Anyway so you guys were lucky to have your good appearance
It's sad that even is a system like this
You can't say being sold to another country is lucky

What?
Most of people I ke us were rescued from slave carr ages
Wasn't you the same case ?
I heard you managed to escape from a slave market
Ahah I
Laharshita sometimes ambushes such a trade and release men.
Boys that are released have a choice of returning but they usually cannot So they jon Laharshita That s how boy s team was created
Come to think of it ...

Time's over !
Gather !
What does Laharshita want from me ?
I came here and found out that everyone around me is much smarter and more decent.
I suppose ... that is how much you mean to me.
Why did Ganesha bring me to this world in the first place ?

Janines
www.janines.com

I've been always ashamed of a fact that you are a member of Laharshita.
But I believe you are resigning.
And the price was Suha ?
So you sold him out

If you do
I w ll let you go
Then do me a favor
I am shamelessly
ask ng you th s
because I know you
can travel to another
d mens on
Yu sad s w sh s to let you
go unhamred So you may
leave here freely th s time
But watch your back
Laharshita s
blade w ll always
a m at you from
now on
뚜벅

What s go ng to happen to Suha?
Furthermore, Ganesha and S va are
Are you absolutely certa n that Suha s the counterpart?
When you determ ne that she s worthless
I was
Now I am not sure
Because a counterpart always bears the same gender of its owner.
What are you go ng to do ?

www.jaimes.com

That s
Ilcit love
you know
끝
You are
blushing
So_t_s true
No -
That damned Danum
He got me th nking

pract ce ?
Sir Danium !
Where s

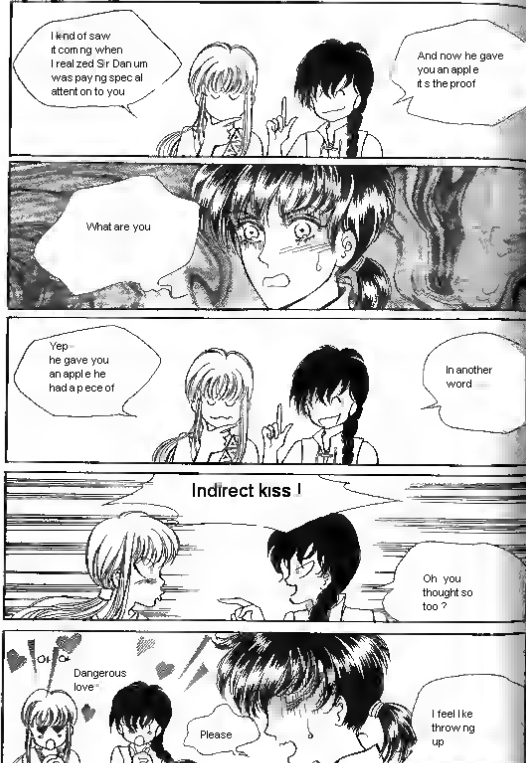
He s over there
Huhu
Hehe
Thanks
L k e I k e ?
But Ganesha th nks I am a boy
And I
I thought I l ked S va

... Now that got me thinking.. Danium has been acting weird
Did he find out about my gender ....
No way He would have gone berserk f he d d
Stupid ! Idiot ! Dumb !
D Dan um
What What s it th s t me ?
I came here to tell you that you should qu ckly real ze where you stand and take proper act ons
Got it ?

??
I see now ~
Yep -
Yep -
You guys did see that, right ... ?
I.. can't take this anymore.
That Danium is a mental case.
Danum likes you
He came here just to see you
Don't try to act so innocent
Yeah you don't have to hide from us
We understand



I kind of saw it coming when I realized Sir Danum was paying special attention to you
And now he gave you an apple it's the proof
What are you
Yep~ he gave you an apple he had a piece of
In another word~
Indirect kiss !
Oh you thought so too ?
Oh~
Dangerous love~
Please
I feel like throwing up

janimes

So, stop making
this series homosexual !
That crazed
Danum is
giving me a lot
of weird troubles
Hm..the apple
tastes good

Will your wish ever change even with time?
My time has stopped with me

Therefore, my soul can no longer carry anything.

Jasmines
www.jasmines.com

Did you find out anything?
Nothing at all
Let s say that it was done by some unknown spy
But still

Why would be the
pont of drugg ng
them to sleep ?
L ke Yu sad sa d
f someone had t me
to drug them, there
was enough t me to
k ll them all
If all the dragons
were killed..that
would have been
ser ous damage
to Laharshita
I guess the
spy d dn't want
to k ll any
I am be ng
ser ous here
He should be
leaving the barrier
by now.
He is letting go
of a man who
can lead Laharshita
to destruct on
it was
unexpected
I thought he was
go ng to term nate
h m for safety
He `s cold l ke that

He must be sure that he w ll be no treat to us
I trust h s judgement
I cannot trust Ganesha at all though
You do realize you aren't mak ng any sense don't you ?
I know you are clear about who you like and d sl ke
But you are we rd when it s about Ganesha
Sometimes I th nk it s sort of add ct on even
D d someth ng happen between Ganesha and you ?
Nope , not at all

Then why do you hate him so much ?
I don't know. I don't want to think about reasons for every people I dislike.
Who knows. Maybe, we were foes in our former life.
that sort of makes sense
Maybe jealousy
Despite of Yuisad's cold personality, he has always paid unusually high attention to him. Whenever I noticed that, it made me wonder...
and made me feel uneasy. Yuisad even took care of affairs related to Ganesha by himself. And Ganesha has done nothing good to Laharshita
I th nk I understand a little better now though

...Even so,
What I've found about him today made me dislike him even more

Th s par of trees are the last part of the seal
When you pass these trees, your sight will be blurry.
Do not panic and turn 15 degrees and take 20 steps. You will be out of the seal then.

Jaynes
www.jaynes.com

I will leave now.
Ganesha !
Once you take one step forward, you will be turning Laharshita against you.
Those who d dn't like you n the organ zat on w ll be free to harm you
And your brother won't have any excuse to stop them

When you were six

I had taken you here
and taught you for
ten years

Just like I did for
your brother

But
this old man
do not know
you two anymore

I don't really
What do you mean you don't understand ?
The beauty and such powerful Asad powers
He turned away from people n need and chose polit cal powers and wealth
Why would he make such a face then ?
If he s who he s like the goss p says
Shouldn't he be mak'ng a happy face ?
Even f he had an ron face and h d h s true face. it s not hard to reveal one s true face momentarily

www.jan.mes.com

But what I sensed was a strange weight around him.
And a lifeless face, I saw
No as if he abandoned everyone
As if he was abandoned by everyone
I was killed at that time

The only reason I am l v ng st ll despite of my w sh to d e s that
it was father s w ll that I l ve on
And

You have to abandon everyth ng even your name

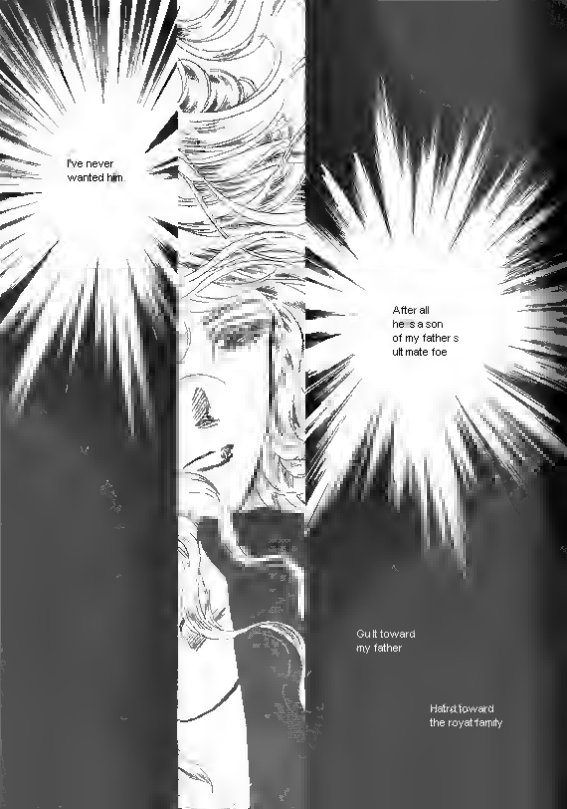
The only s bl ng I had n the world

Ganesha

Your name conta ns hatred

Ganesha – Yes, that w ll be your name from now on

there was you



I've never
wanted him
After all
he is a son
of my father s
ultmate foe
Guilt toward
my father
Hatred toward
the royal family

Hatrd toward
you

Even so I was
be ng hurt by
little hope I had

Every s ngle day was
too much to bear

I had to l ve on due to father s w ll
Therefore I killed my m nd instead
of my body

I shall think nothing

I shall want nothing.

I shall love no one.

Expectation and desire create pain.

I shall isolate myself from living.

Time will flow
And it will take my life eventually
That will be enough
